Commissioner for Patents
Alexandria, VA 22313-1450

**Relevance of the References in the Information Disclosure Statement
and Certification under 37 C.F.R. 1.97(e)(2)**

All of the references in the accompanying IDS postdate the above patent application's priority date of 9/4/2002 and are consequently not prior art with regard to the above patent application. Applicants' attorney is supplying the references as a guide to the technological area with which the inventions claimed in the application are concerned.

Applicants' attorney hereby certifies that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in §156 (c) more than three months prior to the filing of the information disclosure statement.

Respectfully submitted,

Attorney of record,
Gordon E. Nelson
